Kitchen

wine list

head sommelier : carlos pinto
wine buyer : laurent chaniac

we hope you enjoy our wine selection which we feel offers a wide range of options for all palates. at cinnamon kitchen we carefully select each reference to suit the intense aromatics and subtle spicing that are key to our cuisine.

the taste of a wine on its own is often very different to that of the same wine in the company of a particular dish. a successful pairing is ultimately one that enhances your own gastronomic experience.

we would encourage you to experiment to find your ideal matches and if you require our assistance we will be delighted to guide you and to offer our suggestions.
